

ADORED BEAST

— APOTHECARY —

Adored Beast Apothecary Gut Health Products (Pre- & Probiotics, Enzymes, & More!)

What's the Difference & When to Use Them

Love Bugs

Our flagship pre- and probiotic blend. 14 diverse strains, 30 billion CFUS, & prebiotic larch.

Gut Soothe

Love Bugs base, plus we've added several different anti-inflammatory herbs and nutraceuticals.

Healthy Gut

Love Bugs base, with the addition of digestive enzymes to help the body absorb nutrients from food.

Fido's Flora

Love Bugs base, plus 2 canine specific probiotic strains & ancient minerals humic and fulvic acid.

When to Use Them

Love Bugs

Ideal for minor health concerns like mild itching or tummy issues. It supports the gut, the immune system, and can be very helpful for allergies.

It's a good choice for daily proactive health.

Gut Soothe

Can help significantly with things like diarrhea, leaky gut, vomiting, allergies, lung issues, IBD acid reflux, and just general inflammation of the digestive tract.

You can use it regularly, or even just keep it on hand for flare ups.

Healthy Gut

Good for animals who eat kibble. Helpful for dogs who have trouble gaining weight, have large stool volume, or are malnourished. Good when switching diets, and for seniors and puppies.

You can use it regularly.

Fido's Flora

Backed by years of scientific research! Supports the repair of the gut lining. Good for any dog with allergies or autoimmune disease, for a general all-around detox, or if your dog has been on antibiotics.

For animals struggling with a number of issues, after an illness, medications.

HEALTH TIP

The gut is at least 80% of your animal's immune system.

ALL PRODUCTS INDIVIDUALLY ARE A PROACTIVE HEALTH AID AND CAN BE ROTATED AS NEEDED TO KEEP THE GUT IN TIP-TOP SHAPE!
